General Information about Intermodal Stations/ Terminals

Ferry Port (Osta – Pasažieru Terminālis)

Port mainly used for freight traffic. By time of publication only one international passenger route (Travemünde/Germany – Liepāja).

Location: 2 km North of Liepāja Old Town (Brīvostas iela)

Passenger Services: Very small passenger terminal with only basic services (check-in, luggage handling)

For **International Ferry Connections to/from Liepāja** see [Information on arrival possibilities](#) (Link zu Übersicht Ebene 1)

Central Bus & Railway Station (Autoosta & Dzelzcela stacija)

Passenger traffic to/from Liepāja mainly handled with buses. At time of publications only two passenger trains running per week (Rīga – Liepāja).

Location: Liepāja Bus & Railway Station are at the same location - 1 km North of Liepāja Old Town (North end of Rīgas iela / Stacijas laukums)

Passenger Services: The main hall of Liepāja Bus & Railway Station is situated in a typical Russian railway building. By time of publication the building is under renovation. It is expected, that after reconstruction various services and shopping possibilities are available.

Website of Liepāja Bus Station: <http://www.aslap.lv>

Interregional Bus Connections to/from Liepāja (incl. ticket buying opportunity) see www.bezrindas.lv (English version).

Information on bus connections also provided at Liepāja Tourist Information (Rožu laukums 5/6).

For Train Connections to/from Liepāja: <http://www.ldz.lv/>

[Airport \(Lidosta\)](#)

Small airport with very little passenger traffic. At time of publication no international flights to Liepāja.

Location: 8 km Notheast of Liepāja Old Town

Services: Only basic services (luggage handling, check-in, etc.)

Website of Liepāja Airport: <http://www.liepaia-airport.lv/>
