Tickets & Prices:

Tickets for Public Buses and Trolleybuses may be bought in advance at all kiosks (2,00 Lt) or at driver (2,50 Lt.).

Single tickets, day tickets and tickets for longer period (3 days, 10 days, month) may be bought only at kiosk on Railway Station or via internet (www.vilniusticket.lt).

Free public transport with **Vilnius City Card** (LINK: <http://www.vilnius-tourism.lt/de/vtic/dienstleistungen/vilnius-city-card/uber/>)

Tickets for Private Buses & Minibuses only at driver (app. 3 Lt.)

Particularity for Private Minibuses

To make minibuses stop, drivers attention needs to be attracted (e.g. by hand sight). Normally drivers let you get off at any place on the route (even though there is no official stop).

Taxi

There are several taxi companies with very differing prices.

Safest way to arrange taxi is in advance at Tourist Information or Hotel Reception.

Finding helpful local people (and asking them to arrange taxi ride via phone) will probably be the cheapest way.
